ANNUAL COMMENCEMENT OF THE LOGAN HIGH SCHOOL.

A Large and Appreciative Audience Witness the Exercises at the Opera House on Monday Evening.

The Twentysecond Annual Commencement of the High School which occurred on Monday night was equal in every respect to any of its predecessors.

The hall was beautifully and tastefully decorated with bunting, flags and flowers, while each of the members of the class performed their several parts without a break, and the character of their productions showed profundity of thought and careful criticism and training.

Each was in turn loudly applauded and what is more to the point, deserved the honor.

"Uncrowned Heroes," those in life who strive to honestly and faithfully perform each duty, were ennobled by Mary Alice Hopkins in a manner which strongly contrasted the deception, intrigue and vacillation of many who wear the dazzling diadems of earth.

Idabel Florence Ruble, gave a serious turn to the thought expressed in the line from Maud Muller, "It Might Have Been."

Her treatment of the subject did honor to both her head and heart.

The history of the world was reviewed by Ella McBride Rochester, from the time when the Creator declared "It is not good for man to live alone," to the achievements of the Miners, Union and the Christian Endeavor Society to prove that there is "Strength in Union."

Marysie Myrtle White took for her subject "Great Themes of Song." The National airs of America, England, Germany and France, the love and sentimental songs were declared by the speaker to be lasting as time while "Annie Rooney," "After the Ball" and "Ta Ra Boom De Aye" were declared as transient as a summer dream.

At this point the feast of reason was arrested to permit the flow of song and the audience listened to the "Star Spangled Banner" as "Harmonized by Max Vorich." We wish the dutchman could have been present and been forced to hear the kind of noise he is the author of.

Margaret Eugenia Cook convinced the audience that "All the World's a Stage, All the Men and Women Merely Players." The subject was well and uniquely presented.

The illness of Minnie Cora Moore prevented the audience from being treated to "Uncle Leaves."

Mary Ruth Brooke spoke in a very pleasant manner of "The Mission of Literature."

The beautiful flowers as "Nature's Messengers" were learnedly discussed by Francis Loretta McCortney. The legends attached to the Four Leaved Clover, Rosa, Forget Me Not, Fuchsia and Lilly of the Valley was pleasingly presented.

Here again Music held sway and "Sing on Sweet Bird" was beautifully rendered by Misses Rochester and Brook of the Class.

"Majority of Poetry," was the subject that Evelyn Harrington, who displayed a wide range of reading and research to collate the vast number of Marys who have been the subject of poem or song, discussed.

John Allerton Wellman, displayed considerable oratorical skill in the presentation of his subject "Our Nationality" and in a view of the many good things said we excuse the slight tendency to the visionary in his anticipation of the achievements of the future.

They who listened to the oration of Fannie Eugenia Pierce may well be convinced that there are other and more practical magic words than the "Open Sesame" of the Arabian Knights as related in the story of "Ali Baba and the Forty Thieves."

The Diplomas were presented by W. H. Wright, president of the Board of Education in his usual happy manner.

An able and comprehensive Annual Address was delivered by Dr. Jacob A. Shawan of Columbus Ohio, a song by a male quartet and benediction by Rev. Martin ended the exercises and all retired to their homes in happy anticipation of the future Commencements and proud of our excellent public schools.

A Happy Birthday.

On last Saturday Judge Robert Wright celebrated his 85 Birthday. His family were all at home, Lucius coming the long journey from San Diego to join with his brothers and sister in the congratulations of the anniversary.

The SENTINEL with the many old time and tested friends of the venerable pioneer, joins in cordial tender of good wishes upon this happy occasion and bespeaks for the good old man in the calm sun set of his useful and honorable life, many more days happy as the one so joyously spent.

—Delaware Commencement exercises June 19, 20 and 21st, half fare on the C. H. V. & T. R'y.

THE TEACHERS EXCURSION.

A Return Courtesy from the Post Master.

* On next Monday Post Master Green takes the Teachers and School Board on an excursion to Gallipolis.

This is a return courtesy from Mr. Green to the Teachers and School Board, all of whom united in recommending for the position he holds.

This being an anniversary time, at any rate opportune time, the excursion goes on Monday.

The Teachers of Gallipolis will receive the company and give a Grand Reception Banquet in the evening in Elks Hall.

Post Master Dunbar, is the Captain of an elegant steam boat which he puts at the disposal of the excursionists and for a few brief hours the Post Master will in fact be the "Comodore."

The boat ride on Tuesday will be to Lock Haven Locks, on the Kenebeca returning to the Epileptic Asylum where Dr. Rutter will give the Inspecting Teachers a state dinner.

The company is limited to the Teachers and the Board of Education and a few newspaper folks, friends of the Postmaster and our School.

Governor Campbell and Gov. McKinley, both of whom have done our school the honor of attending Commencement have been invited, and it is hoped will attend.

The excursion promises to be a pleasant treat to the Teachers.

The fact that Col. Vance and other live editors live and prosper in that gay and gallant city is assurance that any company of Logan people visiting will have welcome and attention.

The SIXTYNINE Staff regrets not being teachers and are barred an invitation. The good wishes however go with the company.

Hymeneal.

Married: June 3rd., 1894, by Rev. Fr. Powers, Mr. Ed. Rochester to Miss. Ella Fox, both of Logan.

With the above announcement came a bountiful supply of sweetmeats, such as gladden the hearts of the toilers in a newspaper office. As Ed. and his beautiful bride did not forget the printer, may the Dispenser of all earthly blessings ever keep them in fond remembrance and may their cup of marital happiness be ever full to overflowing is the ardent wish of the SENTINEL.

COL. W. S. FRIESNER.

After years of weary waiting Col. Friesner, has been granted a pension.

There is no doubt that the grant is an act of tardy justice, and one that should have been consummated years ago.

Col. Friesner entered the service on October 9th 1861 for three years, as 1st Lieut. of Co. K. 58 Regt. O. V. I. and was promoted to Capt. Oct. 3, 1862, and Lieut. Col. May 3, 1865, doing valiant and faithful service until Sept. 16th., 1865 participating in every engagement with his regiment and being one of the very few survivors of the terrible "Sultana" disaster.

His physical condition is such as to certainly entitle him to the most liberal bounty paid to the faithful veterans of the war.

—Dr. Edward Thompson, who is represented to be an excellent speaker will deliver an Illustrated Lecture at the M. E. Church tomorrow evening, in the interest of the Sunday League of America. Everybody should hear him. Admission Free.

—Everything at cost at the Reber Drug Store.—B. K. Tritsch, Trustee

—"J. N." was in town. Did he call on you?

—In accordance with previous arrangements Mr. Hoyte, on last Tuesday, paid the depositors of the Union bank in full with the exception of Col. Rempel who received one-half the amount due him, and will receive the remainder in thirty days, for the security of which payment, he holds ample security.

SIX HUNDRED MINESIDE TRACK BALTIMORE AND OHIO TRAINS NEAR CAMBRIDGE

And Defy Civil Authorities, Stopping the Cars and Destroying the Track.

Bridges Doubly Guarded and Railroad All But Helpless.

The long expected call for troops came last night from an unexpected source. It was somewhat of a surprise, too, in view of the action of the conference of the national executive board and district presidents of the United Mine Workers.

This morning 1500 troops are on their way to Cambridge, in Guernsey county, near which place coal trains on the Baltimore and Ohio railroad have been sidetracked by striking miners and held by strength of numbers. Cambridge is the county seat of Guernsey county and is about eighty-five miles east of Columbus.

A conflict is hardly probable in view of the large number of troops sent to the scene of the trouble, but the troops are prepared for the worst. The miners are reported to be determined and if they resist it will not likely be an altogether one-sided affair.
